Helping organizations achieve better business results

HP Platinum Partner

ResultsPositive is a leader in IT Management consulting delivering Strategy, Planning, and Governance, Project & Portfolio Management, IT Financial Management, Business Intelligence, Mobility, and Application Lifecycle Management solutions to medium sized and Fortune 500 companies. As both an HP Platinum Partner and HP ASMP-S Support Provider, ResultsPositive has the experience, support, and training necessary to turn your complex IT processes into tangible business solutions.

Why ResultsPositive?

Results Delivered

- ResultsPositive's Qualified Consulting Staff with Extensive Experience Conducting PPM Upgrades
- 100% Customer Satisfaction

PPM Application Upgrade

Let ResultsPositive perform your next PPM application upgrade to ensure that you maximize your investment by:

- Maintaining support by obtaining the most current release
- Gaining access to the latest features and functionality HP PPM has to offer
- Minimizing the cost of upgrading by leveraging the expertise of our experienced consultants

Take advantage of HP PPM 9.2, the latest version available to HP customers which was released February 2013.

PPM Application Services

ResultsPositive can help you plan and manage your entire upgrade. Our experienced consultants can:

- Develop an upgrade plan that meets your specific needs
- Review system compatibility requirements
- Perform the upgrade in your development, test, and production environments

- Make required configuration changes to support current portlets, reports, and integrations
- Discuss available SaaS options
