Make a Difference

HP CSE Foundation

Accelerate implementation through ResultsPositive's unique HP CSE Foundation Program. The Program provides organizations with the ability to quickly get access to HP's industry leading Cloud & Automation suite and access to fully functioning reference use cases.

Key Benefits

With the HP CSE Foundation Program, ResultsPositive is able to reduce total implementation time and costs by up to 50% from the standard implementation approaches.

HP CSE Foundation Program

The Quick Start Foundation Program is an implementation, mentoring, training, and configuration services program for organizations looking for quick time to value in implementing HP's complete Cloud and Automation suite. Program details include:

Project Prerequisites

- Setup of application environments
- Purchase of HP Cloud System Enterprise 50 Pack software bundle

Installation & Setup

- Install HP CSE solution suite (CSA, OO, SA, DMA)
- Confirm successful setup of HP CSE in one environment

Configuration of IaaS / PaaS Use Cases

- Setup and configure 1 to 3 IaaS leave behind reference use case configurations
- Setup and configure 2 to 4 PaaS leave behind reference use case configurations

3 Day Training Services

- "How To" walkthrough on ways to operate HP Cloud System Enterprise solutions using selected use cases

Pricing

- Installation of HP CSE licenses in one environment
- Configuration of up to 5 to 7 IaaS or PaaS reference use cases
- 3 Days of Reference Use Case Training on how to operate HP CSE suite
- Complete Quick Start Foundation Program: \$17,500 plus travel
